Hale County Meals on Wheels, Inc. awards scholarships to a senior student who is pursuing higher education and who meets the criteria listed below. Awards are based solely on the number of volunteer hours accumulated with our organization. Hours may be accumulated by students during their junior and senior year. Students can begin accumulating hours at the first of their junior year. Hours that count toward this scholarship must be performed between September 1, 2020, through April 15, 2022. You must take responsibility for keeping up with the dates and hours of your volunteer service and turn in the attached log to the scholarship committee. Dates and hours will be verified by the committee. All public, private, and home-schooled students living in Hale County are eligible. Annabeth Alison won the scholarship in 2020.
